

I have played poker near Paducah a few times. Kind of surprised I hadn't met or heard of Mike Ladd.

Games down there were good to me.

I bought the MLB chips in a lot of 15, new to me hub molds. 2 new Indiana illegals and now 1 new KY illegal in the lot. Also in the lot was new to me IA, Military, CO. CA, WI, and NJ chips. Still looking for ID's on a couple of them. It is always a good day when you tie an ID to a new illegal chip. <g>

Enough of that:

Kentucky:

18155 IM

Mason Record:

MLB

Mike Ladd

Paducah KY

9/22/78

Also \$5, \$10, \$25 chips made

Michael Lee Ladd, born 1944 (34 when chips ordered). Michael was associated with a "I-NO Club" in the mid 60's and "A.M. Supper Club" in the late 60's early 70's and a company called "Club Management of

Paducah" in the 80's (I don't know what kind of clubs these were). He's been involved in many different business enterprises in Paducah.

I spoke to Michael Ladd.

Michael Lee Ladd, ran a poker game in Paducah with Wayne McDowell, and another, guy last name Berkley.

McDowell, Ladd, Berkley = MLB.

They cut the pot. Raking the pot is illegal in KY. That makes the chips illegals, IMO. Sounded exactly what I used to do in N KY 1960's-1980. <g>

Michael is 2 years younger than me.

I asked him what he did today. He told me:

"I love to fly. I bought two airplanes." <g>

Also promised to send me some other chips.

Not the MLB's.

I have no traders of the MLB.
