Arkansas is rich in illegal clubs history. They had many illegals.

No need for me to research Arkansas history as the Arkansas boys have done a great <u>job</u> of it. Only a couple cases of "The cop with a box of chips" from a raid story. They had to keep up with the Texas and KY boys. ©

Chris Hendrix's web site is well worth visiting.

Wayne Threadgill did a <u>great job</u> on his book "Gambling In The Spa." Lots of pictures.

I highly reccomend it.

There is no doubt in my mind that FDR spent some time in Hot Springs illegal casinos. ©

I have 4 different of the Ohio Club chips, 2 with denoms. As you can see there are others.

Record cards from the Taylor & Co records.
